Day Lodge, Cafe,  
Rentals, Ski School  
& Retail Store

# Cross Country Ski Headquarters

Ski eight groomed and tracked trails totaling 18 km. (12.5 miles). Enjoy our restaurant or bring your own picnic to the day lodge to relax and warm up by the huge fieldstone fireplace. Our Ski school, top of the line rentals and demos (for classic and skate skiing) for all ages (rentals include Headquarters Pass), a log cabin shelter in the woods (Trappers Cabin) and one of the Top Ten Cross Country Ski Retail Stores in the country (per Cross Country Ski Areas Association 1995) make this a complete Cross Country Ski Area. We are open daily from November till the snow goes in March except Thanksgiving Day and Christmas Day.

**SAFETY**  
Stay on trail, it is easy to become disoriented even on marked and packed trails. BE CAUTIOUS! Your safety is affected by your common sense: conditions vary and grooming cannot prevent ice, inclement weather, trees falling, bare spots, low branches, or obstacles appearing in the trail! CAUTION: Grooming machines may be encountered on trails at all times!
